www.er-pools.com

S E R V I C E A G R E E M E N T

The Service will be, once per month vacuum. Weekly service includes,

- Maintain and balance water chemistry
- Brush pool walls and floor
- Tile scrubbed
- Skimmer basket cleaned
- Top of water skimmed for debris
- Hair and lint basket in circulation pump cleaned as needed
- Filter cleaned as needed
- Homeowners are responsible for pool water level. We can pick up an automatic hose timer for you; if you have the hose timer our techs will put water in your pool using the automatic timer. ER POOLS is not responsible for timer malfunctions. If you are seasonal and turn the water off to your home please have your home watch add water. Seasonal residents remember we need access to the water once a month to clean the filter.
- ***** POOL WILL BE VACUUMED ONCE PER MONTH *****
